Student Trustee Recruitment Pack 2025

Welcome from the President [Chair of the Board] and CEO

Thank you for your interest in becoming a Student Trustee at Liverpool John Moores University Students' Union, or JMSU for short.

We are a vibrant and ambitious charity that represents and supports around 27,000 students at Liverpool John Moores University (LJMU).

Our purpose is simple but powerful: to empower students to Belong, Be Heard and Thrive.

Over the last few years, JMSU has grown into a well-established and resilient organisation. Our Board of Trustees has been central to guiding that journey, helping us strengthen our governance structures (including incorporating as a CIO), securing an increase in our core funding stream from the University, securing an exit from our long-term legacy pension debt and strengthening our partnership and strategy alongside the University. We have improved in both internal and external indicators year on year and are keen to now start measuring and furthering our impact on the student experience.

We are looking for a new Student Trustee to join us on this journey. We are particularly keen to hear from people with diverse student experiences at LJMU, and from those who share our passion for education, student experience, and partnership working.

We look forward to hearing from you!

Miles Craven,
President and Chair of the Board
Paul Chapman,
Chief Executive
